

RESUME
CAROLE D. HAFNER
College of Computer and Information Science
Northeastern University, Boston MA 02115
(617) 373-5116 hafner@ccs.neu.edu

Current Position

Associate Professor and Director of Information Science Education
College of Computer and Information Science
Northeastern University, Boston MA

Education

B.A. Economics (1969, with honors). Concentration in statistics and econometrics
The University of Michigan, Ann Arbor MI

Ph.D. Computer Science (1978)
The University of Michigan, Ann Arbor MI

HERS Management Institute for Women in Higher Education (2003-2004)

Employment History

Northeastern University, Boston, MA
College of Computer and Information Science
Associate Professor, Computer Science (1984-Present)
Director of Information Science Education (1999-Present)
College of Professional Studies
Academic Director for Information Technology (2007-2009)

Cornell University Law School (Legal Information Institute)
Visiting Scholar (Jan-June 2005) (sabbatical leave from Northeastern University)

Harvard Law School, Cambridge MA
Lecturer on Law (1991-92) (sabbatical leave from Northeastern University)

General Motors Research Laboratories, Warren, MI
Research Scientist, Computer Science Department (1978-81)
Senior Research Scientist, Computer Science Department (1981-84)

University of Michigan, Ann Arbor, MI
Graduate Research Assistant, Computer Science Department (1971-76)
Programmer/Analyst (Software Engineer), Highway Safety Research Institute (1968-1971)

Teaching Experience

Graduate courses:

Human-Computer Interaction	Knowledge-Based Systems
Foundations of Artificial Intelligence	Data Structures/C Programming
Natural Language Processing	C/Unix Programming

Undergraduate Courses:

Principles of Information Science	Object-Oriented Design
Empirical Research Methods for Information Science	Automata Theory and Formal Languages
Artificial Intelligence	Lisp and Functional Programming
Human-Computer Interaction	Assembly Language Programming

Professional and Administrative Experience

Northeastern University

Founder and Director, Information Science Program (currently 120 majors) 1999 – present

Presentation at Information Technology Dean's Council (co-author Dean Larry Finkelstein): *Education and Research Agenda for a new IT Discipline*. Arlington, VA, February, 2002. Sponsored by CRA (Computing Research Association).

Represented Northeastern University at national meeting on the future of Information Technology programs, National Academies, Washington D.C., January 2003. Sponsored by ABET (Accreditation Board for Engineering and Technology)

Represented Northeastern University at Information Technology Dean's Council, Portland, OR, July 2003.

University-wide committees

University Planning Council, 2002-2004; Information Technology Planning Committee, 2006; Financial Affairs Committee, 2007-2008; College of Professional Studies Academic Council, 2008-present; University Committee on Enrollment Policy, 1999-2000 (Chair); Member of Faculty Senate, 1997-2001, 2006-present; University Committee on Tenure Appeals, 1994-1996

College of Computer and Information Science Committees

Administrative Committee 1999-present; Faculty Hiring Committee 1992-1993 (Chair), 2003-2008; Tenure Committee 1988-present (Chair 1988-89); Undergraduate Curriculum Committee 1999-present

Other Professional and Administrative Experience

International Conference on Artificial Intelligence and Law

Founder and Conference Chair, 1987

Secretary-Treasurer, 1989-2003, 2005-present

Member of Program Committee 1999, 2001, 2003, 2005, 2007, Program Chair for 2009

Artificial Intelligence and Law, an International Journal (Kluwer Academic Publishers)

Co-editor in Chief, 1992-1997; Member of Editorial Board, 1998 - present

Member of Executive Committee, International Assoc. for Artificial Intelligence and Law, 1991 – 2009

Chair, AAAI-90 Workshop on Artificial Intelligence and Legal Reasoning, Boston, MA, July 30, 1990

Member of the CSNET Executive Committee, 1987-1989.

Member of numerous National Science Foundation proposal review panels, 1988-present.

Association for Computational Linguistics:

Member of Program Committee, 2nd Conf. on Applied Natural Language Processing (University of Texas, February, 1988)

Member of Program Committee, 24th Annual Meeting (Columbia University, June, 1986)

Exhibits Chairperson, 23rd Annual Meeting (University of Chicago, July, 1985)

Member of Information Systems delegation to the People's Republic of China, August 1983

Association for Computing Machinery, Detroit Chapter

Membership Chair, 1979

Treasurer, 1980

Vice-President, 1981

President, 1982

Associate Magazine Editor, The Michigan Daily, 1967-68

Reporter and Night Editor, The Michigan Daily, 1965-67

Grants Funded

2004-2005 User Interface Design for Mobile Computing, Northeastern University, \$11,300 (with P. Tarasewich and A. Reeves).

1996-1998 Ontological Foundations for Experimental Science Knowledge Bases, National Science Foundation, \$49,000.

1992-1995 Data/Knowledge Bases for Biological Papers and Techniques, National Science Foundation, \$680,000 (with K. Baclawski and R. Futrelle).

1991-1992 Development of Improved Text Retrieval Methods Using Computational Linguistics, National Center for Automated Information Retrieval (New York), \$15,000.

1989-1991 A Robust Method for Conceptual Analysis of Natural Language Text, National Science Foundation, \$59,700.

1988 A Paper Knowledge Base for Architect-Engineer Liability, U.S. Army Construction Engineering Research Laboratory, \$14,736 (with D.H. Berman).

Ph. D. 's Supervised

Scott Miller (1996), *Hidden Understanding Models for Natural Language Processing*.

Natalya Fridman Noy (1998), *Knowledge Representation for Intelligent Information Retrieval in Experimental Sciences*.

Selected Publications

Journal Special Issues Edited:

Hafner, C. and Rissland, E., (2002). Editors' Introduction to the Special Issue in Memory of Donald H. Berman. *Artificial Intelligence and Law 10*:1-3, 3-6.
