

6 Circular Data; Using Eclipse IDE with full Java

Etudes

6.1 Etude

Do exercises 23.9 and 23.10. Use DrScheme Intermediate language. ■

Main Assignment: Migrating to Eclipse

6.2 Problem: Grocery Store

Convert the solution to Etude 4.3 in Exercise Set 4 to run in Eclipse. Add all visibility modifiers, add *toString* methods, design the appropriate *same...* methods, and convert the tests as shown in the lab. ■

6.3 Problem: Using the World Library

Convert your etude 5.1 (Exercises 19.3-19.9) to run in Eclipse. ■
