

1] a year now. They are friendly, he can do things like regular ppl. (send emails). Now they are working on the video calling (skype). ②

2] help to mouse? he asks the secretary. In a day he uses the computer for half hour. It is tiring. he has lot of ~~no~~ activities. Once or twice.

3] What to chg. in s/w? His brother doing for his req's. Smth that fits them.

4] Satisfaction? 6 very satisfied.
